Lee & Associates New Jersey Completes Successful “Suits for Success” Donation Drive

Elmwood Park, NJ (January 2019) - The Lee & Associates New Jersey offices located in Elmwood Park and Edison, NJ teamed up with the “Suits for Success” non-profit organization in December for a successful business clothing drive. The program, which is dedicated to helping, encouraging and clothe men and women re-entering the workplace, provides professional business attire for the purpose of interviewing with prospective employers and career development tools.

“The “Suits for Success” organization provides an invaluable program whose foundation of success comes from the generosity of employees like ours who donated so that others could have the opportunity to put their best foot forward in life” commented Lee & Associates Executive Vice President Jessica Vasil. This is the forth annual drive Lee & Associates has participated in.

Lee & Associates - New Jersey is a unique and dynamic commercial real estate firm with two locations - Elmwood Park and Edison, providing a wide range of diversified real estate services on a local, regional and national level. Lee’s business minded brokers specialize in office, industrial and land real estate investments along with property management and real estate financial services.
